

From the Rooftop to the Bay: Implementing Stormwater Management Strategies in the Chesapeake Bay Watershed

March 9 - 11, 2010 in Staunton, VA

About the Workshop

Location: Stonewall Jackson Hotel

This intensive, interactive 3-day workshop is designed to help public and private sector stormwater professionals:

- Strengthen design, construction, and maintenance skills for innovative stormwater practices;
- Understand and apply a new generation of stormwater regulations in the Chesapeake Bay;
- Improve municipal NPDES stormwater programs; and
- Exchange ideas with stormwater professionals

Tuesday, March 9

- **Special Track for Local Elected Officials: Intro to Stormwater**
- Runoff Reduction and Environmental Site Design in Chesapeake States
- Stormwater Site Plan Design Charrette
- Policy Decisions to Implement Your Stormwater Program
- Evaluating Local Codes
- On-site vs. Off-site Stormwater Compliance

Registration limited to 150 participants, so register now! Participants may attend all three days of the workshop (encouraged!) or Tuesday only or Wednesday and Thursday together. Wednesday and Thursday are a package.

Registration includes: Instruction, training materials, Continuing Education Units (if requested), continental breakfast, lunches, and snacks.

How to register:

Visit our website at www.cwp.org for registration and payment information.

Registration Costs:

Full Workshop (Tues., Wed., Thurs.) = \$350

Wednesday and Thursday = \$275

Tuesday only = \$175 (*Discounted Local Elected Officials rate - \$50*)

Registration deadline is February 5, 2010

Wednesday, March 10

- Performance Monitoring of BMPs
- Getting the Most Out of Your Monitoring
- Establishing a Monitoring Consortium
- Retrofitting as a Program Tool
- Stormwater Design, Installation, and Maintenance Track: Rooftop Practices, Bioretention, Constructed Wetlands, Infiltration, Permeable Pavers, Filter Strips and Soil Amendments

Thursday, March 11

- Design Adaptations for Redevelopment & Urban Sites
- Design Adaptations for Karst Terrain
- Rainwater Harvesting Hands-On Workshop
- Pollution Prevention / Good Housekeeping
- Stormwater Facilities as Community Spaces
- Local Stormwater Tours (field trip)

Presented by Center for Watershed Protection, Chesapeake Stormwater Network, and James River Association.
